

# System Council U-4 Negotiation News

September 15, 2017

Volume #1 Number #16

Brothers and Sisters, the System Council office staff and your Local Union Presidents have fielded a number of calls concerning the status of negotiations. As mentioned in our Special Bulletin Volume Number 3, September 7, 2017 the company had proposed the postponement of negotiations until conditions permit. We anticipate reconvening negotiations on Monday September 25, 2017.

Side Note:

We received notification today of the company's intent to move to Winter schedules effective October 14, 2017. Each management area will post their new schedule today, September 14, 2017.

It is extremely important that we all remain focused on the task at hand. Do not be distracted.
