Dear Brothers and Sisters:

IBEW System Council U-4 is pleased to announce this year's supplemental benefits enrollment for members at Florida Power & Light. IBEW members and their families will have the opportunity to participate in the following group supplemental benefit plans:

- **Accident Insurance**
- **Critical Illness Insurance**
- **Hospital Indemnity Insurance**
- **Whole Life Insurance**

**Members will be able to enroll online or telephonically this year, from December 5-16.** The enrollment site and call center will be available beginning December 5.

These programs are available through the convenience of payroll deduction and provide benefits regardless of any existing coverage you may already have. They are also portable and may be continued should you leave Florida Power & Light for any reason.

These plans are offered by National Group Protection, Inc. (NGP), and underwritten by Continental American Insurance Company (CAIC). NGP is a union shop and a leader in the design and implementation of union-sponsored benefit plans.

Please take a moment to review your supplemental benefit options during the upcoming enrollment. If you have any questions, please contact NGP at 800-344-9016.
