

System Council U-4 Negotiation News

June 27, 2008

Volume #1 Number #6

The System Committee and the Company resumed negotiations at the completion of the Third Step Grievance Meeting this week. The Distribution Business Unit continued to present their proposals to the System Committee.

The proposals discussed were related to:

- Decentralize the Apprentice Line Specialist
- Establish an Itinerant Workforce in Distribution
- Create new classifications in Distribution
- Flexibility in RS and Line Specialist work
- Flexibility in schedules
- Street Light Maintenance

The System Committee and the Company will resume Negotiations on Tuesday July 1, 2008.

The System Committee encourages everyone to continue to improve on our daily Safety practices both on and off the job; "I am my Brother's Keeper".
