July 3, 2008

Volume #1 Number #7

The System Committee would like to thank the Apprentice Committee Members that were appointed to work on the Decentralization of the Apprentice Line Specialist Program.

The MOU for the Power Systems Apprentice Line Specialist Pilot Program and a clarification document has been completed and agreed upon by both parties.

The Committee is working to finalize the transfer document which will allow existing Apprentices a one time opportunity to transfer to the designated locations throughout the state.

Negotiations Continued this week with the Distribution Business Unit's explanation of their interest to establish an Itinerant Workforce in Distribution to take on the construction work and their desire to create a classification of Line Leader.

The System Committee and the Company will resume Negotiations on Tuesday July 8, 2008.

The System Committee hopes everyone has a Safe and Enjoyable Holiday weekend.
