

OPERATIONS CLERK A

The requirement to pass a stenography test to hold the position of Operation Clerk "A" Steno will no longer exist.

Operation Clerk "A" Stenos who are in this position (attached) at the time of ratification will be considered incumbents and will retain their Steno title and qualification. These incumbents will not be required to have any further testing to roll or bid Operation Clerk "A" positions or Steno positions.

The Director of Labor Relations and the Business Manager of System Council U-4, IBEW mutually agree to establish a Joint Committee of two (2) Union and two (2) Company Representatives for the purpose of reviewing and updating the minimum requirements and accountabilities for the Operation "A" Clerk position.

Upon ratification the pay bracket for the position of Operation Clerk "A" will be the minimum and the maximum of the Operations Clerk "A" Steno for the respective business unit.

The Dispatcher Clerk position will remain separate and with its own job criteria for the position.

It is mutually agreed that a committee of two Union and two Company representatives will be appointed to update these two positions with the applicable language noted below.

This will not affect any premium or wages being paid for single clerk yards (fifty cents (0.50) per hour.

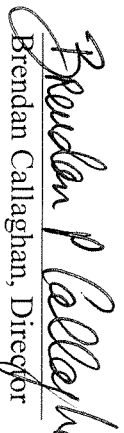

This committee will convene within 60 days of ratification.

The minimum requirements for the Operation Clerk "A" will be:

1. Satisfactorily complete the following tests:
 - a. EEI Clerical Test (BCAB)
 - b. EEI Keyboarding Skills Battery (KSB) Typing Test – 56 WPPM

The minimum requirements for the Dispatcher Clerk position will be:

1. Satisfactorily complete the following tests:
EEI Keyboarding Skills Battery (KSB) Typing Test – 40 WPPM if there is not an Operations Clerk A or a Dispatcher Clerk who meets the 40 WPPM typing within the work headquarters.
