July 1, 2008

## Zero Today! System Council U-4 IBEW Leaderships Commitment

As the leaders in System Council U-4 IBEW, we are committed to and understand that our daily actions must visibly support our belief in a “zero injury culture.” We are personally committed to improving our safety leadership skills. As a sign of our commitment, we share the following actions that we will undertake in support of Zero Today!

We understand that we must personally manage safety every day by:

1. Reinforcing to the Membership that “Yes I am my Brother’s Keeper”
2. Reinforcing that every Local Union in the System Council U-4 is “United for Zero Injuries.”
3. Personally caring about the safety and health of our Members.
4. Asking that every Member to never put production before safety.
5. Asking that every Member comply with all safety policies, procedures and practices.
6. Encouraging feedback on unsafe conditions, practices or behaviors from all Members.
7. Promoting a “Zero Injury” work place.

By signing this document, we are committed to improving our safety leadership skills by working daily to honor the commitments as outlined above.

Gary Aleknovich  
Business Manager

Dwight Mattox  
President

Joe Brennan  
Committeeman
